

Darth Vader

Dragonette

I got it caught on camera
It looks deliciously bad
I ran around with a cheater
Now I'm getting ahead
Na na na na na

Say you can't be too careful
I don't believe it no more
Gonna get me what I'm after
Collateral damage to war
Na na na na na

I wanna do it for myself for a change
Like I'm nobody's friend
Like I owe no one nothing
Gonna do it like I don't give a damn
Like a tyrannical man
Complete dominator
Or Darth Vader

I ran around with a cheetah
I ran that creature right down
I mauled them for my supper
It's all a game to me now
Na na na na na

There'll be a lot of chatter
Some kind of hell to be paid
But I'll rise like wildfire
Above the judgment day
Na na na na na

I wanna do it for myself for a change
Like I'm nobody's friend
Like I owe no one nothing
Gonna do it like I don't give a damn
Like a tyrannical man
