

Inside the Enemy's Mind

DragonHeart

Am I lost? Lost in the time
I wait for the last breath
Soldiers hear my name

They're showing me the way
Into the dark, into their minds
I laugh from the dark side
They can hear my voice

(Chorus) (4 Times)
Inside the enemy
Inside the enemy's mind

Where am I?
Darkness is all around
They pray for the light
I'll fall into the dark
I hold the key
I hold the gate
And I search for deliverance
They hear my voice

(Chorus) (4 Times)
