Oh, you fancy, huh?

You getting ready so I know we gon' be here awhile  
In the bathroom, flat irons and nail files  
Spending hours in salons on your hairstyles  
In the mall steady racking up the air miles

Hit the gym, step on the scales stare at the number  
You say you dropping 10 pounds, preparing for summer  
And you don't do it for the man, men never notice  
You just do it for yourself, you're the fucking coldest

Intelligent too, ooh, you're my sweetheart  
I've always liked my women book and street smart  
Long as they got a little class like half days  
And the confidence to overlook my past ways

Time heals all and heels hurt to walk in  
But they go with the clutch that you carry your lip-gloss in  
And look, I really think that nobody does it better  
I love the way that you put it together

Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?

Nail done, hair done  
Everything did  
Nails done, hair done

Well, aren't you a breath of fresh air?  
From all these superficial gold digging bitches in here  
They get a baller, think that they ain't got to pick a career  
Guess they plan on sucking dicks until some millions appear

Like voila, you do it right, he just might buy you a car  
Unless you play these suckers just like B.O.B play the guitar  
Now here you are with your girls having drinks at the bar  
I say I'm buying, you decline, that is kinda bizarre

Independent with the demeanor of an R 'n B singer  
Make it ring finger, M3 beamer  
Champagne Range, triple white Jag  
Closet full of brand new clothes and handbags

Alexander McQueen, Prada, Gucci, Chanel  
D&G, BCBG, Versace, Louie and Bebe  
Ya ain't needy, greedy or easy as these other breezies  
Who fuck for bottles of Riesling or beaus that beg zeebee

Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?

Nail done, hair done  
Everything did

Atlanta girls, let me see your hands  
Wave 'em at them bitches hating on you with their friends  
Girl, you got it, let 'em know everything big  
Nails done, hair done, everything big

And my NY girls, let me see your hands  
Wave 'em at them bitches hating on you with their friends  
Girl, you got it, let 'em know everything big  
Nails done, hair done, everything big

And my L.A. girls, let me see your hands  
Wave 'em at them bitches hating on you with their friends  
Girl, you got it, let 'em know everything big  
Nails done, hair done, everything big

And my TO girls, let me see your hands  
Wave' em at them bitches hating on you with their friends  
Girl, you got it, let 'em know everything big  
Nails done, hair done, nails done, hairs done

Say go Cinderella, go Cinderella  
Orgasm blush, lipstick and concealer  
Devil in a tight dress, girl, you a killer  
And ain't nobody realer and ain't nobody realer

Go, go, go, go, go  
Go, go, go, go, go, go  
(Showtime)  
As we proceed

5 and a half in boys, ass is off the hook  
Cinderella 'bout to lose the glass off her foot  
And when I find it, is when I find you  
And we can do the things we never got the time to

Better late than never, but never late is better  
They tell me time is money, well, we'll spend it together  
I'm down for whatever, you just lead the way  
We go to dinner, you all don't even look at me to pay

Mature women with more than me were the first to tempt me  
And Jason had this girl Tammy with a purple Bentley  
How she got it, I ain't never get to ask  
I just knew that she was fine like a ticket on the dash

Yeah, but shout out to the homeowners  
The girls that got diplomas and enough money to loan us  
A little something extra, should we ever need it  
If it sounds like you, then let me hear you repeat it

Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?

Nail done, hair done  
Everything did  
Nails done, hair done  
Everything did

Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?  
Oh, you fancy, huh?

Nail done, hair done  
Everything did  
Nails done, hair done  
Everything did

Oh, you fancy, huh?
