How much better can I show my love for you Than say "I do, I do"? I do, I do, I do You may not know right where you're going But I do, I do, I do And all the times you wasn't chosen Well, I'll make it up to you All of the feelings you're not showing When your river's overflowing It's the truth, swear to you I do, I do, I do, I do And all that you are, I do My single line of stars in noon Reflection of the very moon, I do I do, I do, I do Show my love for you Can I show my love for you? (Can I show my love for you?)
