## **Anna Lee**

## **Dream Theater**

Helpless child
They invite your hands to fill their needs
Will you be the same
Shameless smile
To steal from you the innocence that bleeds
Will they feel your pain

Trying to believe
The scars unseen
The tears wash clean
You don't wanna breathe the air you breathe
You don't know how you'll live a life alone

She keeps holding on Holding on to you Let her breathe the air Don't wanna be alone Where do you belong Anna Lee

Behind those eyes
A vivid scene
A lucid dream within
Questioned secrets are revealed
And every time
You can't deny
The lines that trace your skin
Wounds that never heal

Trying to believe
The scars unseen
The tears wash clean
You don't wanna breathe the air you breathe
You don't know how you'll live a life alone

She keeps holding on Holding on to you Let her breathe the air Don't wanna be alone Where do you belong Anna Lee

And now she's calling out a name Can't keep on hiding all her pain You feel the rain move in As you begin To turn and answer the call

Trying to believe
The scars unseen
The tears wash clean
You don't wanna breathe the air you breathe
You don't know how you'll live a life alone

She keeps holding on Holding on to you Let her breathe the air Don't wanna be alone Where do you belong Anna Lee
