

Another Day

Dream Theater

Live another day
Climb a little higher
Find another reason to stay
Ashes in your hands
Mercy in your eyes
If you're searching for a silent
sky...

You won't find it here
Look another way
You won't find it here
So die another day

The coldness of this words
The message in his silence,
"Face the candle to the
wind..."
This distance in my voice
Isn't leaving you a choice
So if you're looking for a time
to run away...

You won't find it here
Look another way
You won't find it here
So try another day

They took pictures of our
dreams
Ran to hide behind the stairs
And said maybe when it's right
for you, they'll fall
But if they don't come down
Resist the need to pull them in
And throw them away
Better to save the mystery
Than surrender to the secret

You won't find it here
Look another way
You won't find it here
So try another day
