Scene One: Regression

Dream Theater

"Close your eyes and begin to relax. Take a deep breath, and le t it out

slowly. Concentrate on your breathing. With each breath you become more

relaxed. Imagine a brilliant white light above you, focusing on this light as

it flows through your body. Allow yourself to drift off as you fall deeper and

deeper into a more relaxed state of mind. Now as I count backward from ten to

one, you will fill more peaceful, and calm. Ten. Nine. Eight. S even. Six. You

will enter a safe place where nothing can harm you. Five. Four. Three. Two. If

at any time you need to came back, all you must do is open your eyes. One."

Safe in the light that surrounds me Free of the fear and the pain My subconscious mind Starts spinning through time To rejoin the past once again

Nothing seems real
I'm starting to feel
Lost in the haze of a dream

And as I draw near
The scene becomes clear
Like watching my life on a screen

Hello Victoria so glad to see you My friend
