

Surrender to Reason

Dream Theater

In moments of pain
Where heart and mind collide
Self reflection
Helps me decide

I believe
The sacrifices in life
Give more than they take

Visions flowing slowly shedding light
Memories swimming in the sea of time
Pieces to the puzzle falling into place
That with which we struggle through
We learn to embrace

Love
Show the way
Alter my state of mind
Wash away the sorrow

Grace
Lead the way
When boundaries are found
Surrender to reason

Life gives you brighter days
Through sacrifices made
My spirit travels like the wind and waves

My heart and mind unite
Mistakes resolved give sight
The river's currents slowly turns the stone

Love
Show the way
Alter my state of mind
Wash away the sorrow

Grace
Lead the way
When boundaries are found
Surrender to reason

Restless angels
Help me find my way

Restless angels
Help me find my strength
Restless angels
Help me find my way

Restless angels
Let love show the way
Let grace lead the way
Surrender to reason
