

# The Ministry of Lost Souls

Dream Theater

The Waters Edge  
Is Where She Waits  
Lost Soul Still Wondering  
Meant To Die  
But Shes Stuck  
Not Crossing Over

The Other Side  
Is Where He Waits  
This Spirit Reaching Out  
Bound To Save  
But She's Too Scared  
To Take His Hand

Living In A World Without You  
(Traveling In The Past)  
Is Living In No World At All  
So Now I Call On You

Remember Me  
I Gave You Life  
You Would Not Take It  
Your Suffering Was All In Vein  
Its Almost Over Now  
Don't Turn Your Back On Paradise

Feeling Scared  
She's Prepared  
To Give Up Everything  
She Can't Stand  
To Feel Like Half Of Her Is Fading  
He Will Choose The Only Way  
To Rid Her Of Her Pain  
Take Her Soul Now  
The Decision Has Been Made

Living In A World Without Love  
(Converting To My Soul)  
Is lLving In A World Less World  
So I Will Call On You

Remember Me  
I Gave You Life  
You Would Not Take It  
Your Suffering Was All In Vein  
Its Almost Over  
Remember Me  
You Were So Young  
How Could I Tell You ?  
Remember Me  
I Am The One  
Who Saved Your Life That Night

I Was The One Who Would Not  
Abandon You  
Even In Death I Was The One  
Who Would Not Leave You

I Used My Freedom To Protect You  
And All The While Direct You  
Do You Remember Me This Time ?  
Even In Death I Gave You Life  
i Gave You Life

Wanted To Deserve A Place  
A Place Beside You  
As Time Went Out  
Reached Out My Hand  
Its Reached All The Way To Heaven

Remember Me  
I Gave You Life  
You Would Not Take It  
Your Suffering Was All In Vein  
Its Almost Over Now

Good Bye...  
Its Almost Over Now  
Good Bye  
Its Time...  
I Release You From This Life  
Don't Turn Your Back On Paradise
