

# War Inside My Head

Dream Theater

Napalm, napalm, napalm showers  
Showed the cowards  
Weren't there to mess around

Heat exhaustion  
Mind distortion  
Military victory mounted on innocent ground

Hearing voices from miles away  
Saying things never said  
Seeing shadows in the light of the day  
Waging a war inside my head

War inside my head

Years and years of  
Bloodshed and warfare  
Our mission was only to get in and kill

A free vacation  
Of palm trees and shrapnel  
Trading innocence for permanent psychotic hell

Hearing voices from miles away  
Saying things never said  
Seeing shadows in the light of the day  
Waging a war inside my head

Feeling strangers staring my way  
Reading minds never read  
Tasting danger with each word I say  
Waging a war inside my
