We're all just people trying to get along
Were all just people trying make our way
We're all just people trying make it through another day
We're all just people trying to get along
Were all just people trying make our way
We're all just people trying make it through another day
I'm a tinker
I'm a tailor
I'm a soldier
I'm a sailor
I'm a doctor
I'm a lawyer
I'm a thief
I'm a drinker
I'm a thinker
I'm a hero
I'm a zero
I'm a big around the bar
Someone cheesh
But were all just people tryin' to make our way
We stood in your footprints
Till the rain washed them away
The memories never fade
With us they'll always stay
We stand here together
We bow our heads and pray
For those gone but not forgotten
We remember you each day
We're all just people trying to get along
We're all just people trying to make our way
We're all just people trying to make it through another day
We're all just people trying to get along
We're all just people trying to make our way
We're all just people trying to make it through another day
I'm a cop
I'm a teacher
I'm a prophet
I'm a preacher
I'm a mover
I'm a shaker
I'm a con
I'm a saint
I'm a sinner
I'm a loser
I'm a winner
I'm a lover
I'm a fighter
I'm gone
But we're all just people trying to make our way
We stood in your footprints
Till the rain washed them away
The memories never fade
With us they'll always stay
We stand here together
We bow our heads and pray
For those gone but not forgotten
We remember you each day

Oh, we lost our innocents today
Oh, on Patriots' Day
Oh, we lost our innocents today
Oh, on Patriots' Day
I'm a walker
I'm a talker
I'm a clash city rocker
I'm a stubber
I'm a runner
I'm a freak
But we're all just people trying to make our way
Oh, we lost our innocents today
Oh, on Patriots' Day
Oh, we lost our innocents today
Oh, on Patriots' Day
Oh, on Patriots' Day
Oh, on Patriots' Day
