The pictures tell the story, this life has many shades
G **Am**
I'd wake up every morning and before I'd start each day
Am **C**
I'd take a drag from last night's cigarette that smoldered in its tray
G **Dm** **Am**
And down a little something, then be on my way

Am **C**
I traveled far and wide and laid this head in many ports
G **Am**
I was guided by a compass, I saw beauty to the north
Am **C**
I drew the tales of many lives and wore the faces of my own
G **Dm**
I had these memories all around me so I wouldn't be alone

C **G**

In a rose tattoo, in a rose tattoo
I've got your name written here, in a rose tattoo

This one means the most to me it stays here for eternity
A ship that always stays the course, an anchor for my every choice
A rose that shines down from above, I signed and sealed these words in blood
I heard them once, sung in a song, it played again and we sang along

Am C G Am

You'll always be here with me, even if you're gone
You'll always have my love, our memory will live on

Some may be from showing up, others are from growing up,
Sometimes I was so messed up and didn't have a clue
I ain't winning no one over, I wear it just for you
I got your name written here in a rose tattoo

In a rose tattoo, in a rose tattoo
I got your name written here, in a rose tattoo
In a rose tattoo, in a rose tattoo
With pride I'll wear it to the grave for you

In a rose tattoo, in a rose tattoo
I got your name written here, in a rose tattoo
In a rose tattoo, in a rose tattoo
signed and sealed in blood I would die for you
