

## Full Circle

### Drowning Pool

The price leaves me, feeling empty  
A rusted inside a broken frown  
The clock is real, make a deal, risk another hand  
The time is now and the payment is my sin

You think it's over, well I've come too far to back down now  
You think it's over...

My time to rise above you, it's time to rise above you  
We've come, Full Circle.  
It's time to rise above you, My time to rise above you  
When I dream, I breathe easy  
A perfect ending a perfect now  
No remorse (no remorse) No regret (no regret)  
Ain't got time for simple minded bullshit

You think it's over, well I've come too far to back down now  
You think it's over...  
My time to rise above you, time to rise above you

My life...A crown of thorns  
My life...An open door  
You think it's over  
We've come full circle

You think it's over well I've come too far to back down now  
You think it's over...

My time to rise above you, it's time to rise above you  
We've come... Full Circle  
It's time to rise above you, my time to rise above you
