I never thought that I would find a way out I never thought I'd hear my heart beat so loud I can't believe there's something left in my chest anymore But goddamn, you got me in love again I used to think that I was made out of stone I used to spend so many nights on my own I never knew I had it in me to dance anymore But goddamn, you got me in love again Show me that heaven's right here, baby Touch me, so I know I'm not crazy Never have I ever met somebody like you Used to be afraid of love and what it might do But goddamn, you got me in love again Again So many nights, my tears fell harder than rain Scared I would take my broken heart to the grave I'd rather die than have to live in a storm like before But goddamn, you got me in love again Show me that heaven's right here, baby Touch me, so I know I'm not crazy Never have I ever met somebody like you Used to be afraid of love and what it might do But goddamn, you got me in love again Again I can't believe, I can't believe I finally found someone I'll sink my teeth in disbelief 'Cause you're the one that I want I can't believe, I can't believe I'm not afraid anymore Goddamn, you got me in love again La-la-la, la-la-la La-la-la, la-la-la I never thought that I would find a way out I never thought I'd hear my heart beat so loud I can't believe there's something left in my chest anymore Oh, goddamn, you got me in love again (We're in love, we're in love) (We're in love, we're in love, oh, oh) I can't believe, I can't believe I finally found someone I'll sink my teeth in disbelief

'Cause you're the one that I want

I can't believe there's something left inside my chest anymore But goddamn, you got me in love again

You got me in love again
You got me in love again
You got me in love again (Again and again)
Again (And again and again and again)
