

Rest of Our Lives

Dum Dum Girls

Your eyes consume me
They always have
Before you knew me
I dreamt of them

I still remember
The day I knew
It was a love-shock
From me to you

A few years down the line
Still savor each day you're mine
A few years down the line
Still savor each day you're mine
(Day you're mine)

Oh my baby, won't you let me take you for a ride?
Oh my baby, yes it's crazy, for the rest of our lives

Your eyes consume me
They always have
Before you knew me
I dreamt of them

A few years down the line
Still savor each day you're mine
A few years down the line
Still savor each day you're mine
(Day you're mine)

Oh my baby, won't you let me take you for a ride?
Oh my baby, yes it's crazy, for the rest of our lives
Oh my baby, won't you let me take you for a ride?
Oh my baby, yes it's crazy, for the rest of our lives
