

NOTHING LESS

Duran Duran

Paved Nirvana, romance on the phone
Faces in their passing can tell you don't belong
Waiting in the deep end, drowned in monochrome
If anyone could save you, anyone at all

I want to thank you for all the loving baby
What am I what am I gonna do
'Cause nothing gained ain't lost at all oh
What am I gonna do
And when it comes to indecision
What am I what am I gonna do
Tomorrow maybe there'll be nothing less and nothing more

Waking to the same room a fixture in the view
Something from my dreaming that I recognize in you
Does it even matter if we make it to the end?
If we're carved in living rock, or just lines drawn in the sand
?

I want to thank you for all the nothings baby
What am I what am I gonna do
'Cause nothing gained ain't lost at all oh
What am I gonna do
And when it comes to indecision
What am I what am I gonna do
Tomorrow maybe there'll be nothing less and nothing more

I want to thank you for all the loving baby
What am I what am I gonna do
'Cause nothing gained ain't lost at all oh

You don't have to say something, I don't really mind
You don't have to try

I don't have to say nothing, you don't really mind
I don't need to try

I want to thank you for all the nothings baby
What am I what am I gonna do
'Cause nothing gained ain't lost at all oh
What am I gonna do
And when it comes to indecision
What am I what am I gonna do
Tomorrow maybe there'll be nothing less and nothing more
