

Skin Trade

Duran Duran

Working on the weekend baby she's working all through the night
And jump into the deepend gave her the evidence she require
Take five she's got pearls don't fake it when it comes to makin
g money

So she smiles but that's cruel if you knew what she think if yo
u knew what she was after

Sometimes she wonder and she laughs in her frustration

Would someone please explain the reason for this strange behavi
or

In exploitations name we must be working for the skin trade

Doctors of the revolution gave us the medicine we desire

Besides being absolutely painless it's a question of compromise
It got steel and so cool to get angry at the weekend then go ba
ck to school

So big deal it's what rule when it comes to making money say ye
s please thank you

Sometimes you wonder and you ask yourself the question
