## Em

Stood on the line
you understand
I've been waiting forever
come rain, come shine
In the wind and snow
In the filthy weather

Am C Em

you got it all worked out

Am (

Yeah, but it knocks you out

Em

I'm zoomin' In

## Em

Now she arrives
in a flamming crash
like a falling star
heading straight for the dive
gonna make some cash with that avatar

Am C

You got it all worked out

Em

I know you know I don't want you to go

Am (

yeah but it knocks you out

Em

I'm zoomin' In on you on you

## Em

Don't look back - heart attack

Am (

you got it all worked out

Am (

yeah but it knocks you out

## Em

we're not alone in the second life there are millions like us right here in the stones in the air too bright for the new insiders
