

O God

Dustin Kensrue

In the valley, O God, you're near
In the quiet, O God, you're near

In the shadow, O God, you're near
At my breaking, O God, you're near
You're near

O God, you never leave my side
Your love stands firm through all my life

In my searching, O God, you're near
In my wandering, O God, you're near

When I feel alone, O God, you're near
At my lowest, O God you're near
You're near

Height nor depth
Nor anything else can pull us apart
We are joined as one by your blood

Hope will rise
As we become more than conquerors
Through the one who loved the world
