O God

Dustin Kensrue

In the valley, O God, you're near
In the quiet, O God, you're near

In the shadow, O God, you're near At my breaking, O God, you're near You're near

O God, you never leave my side Your love stands firm through all my life

In my searching, O God, you're near
In my wandering, O God, you're near

When I feel alone, O God, you're near At my lowest, O God you're near You're near

Height nor depth Nor anything else can pull us apart We are joined as one by your blood

Hope will rise
As we become more than conquerors
Through the one who loved the world
