

## Brand New Me

Dusty Springfield

This is my same old coat  
And my same old shoes  
I was the same old me  
With the same old blues  
Then you touched my life  
Just by holding my hand  
Now I look in the mirror  
And see a brand new girl

I got a brand new walk  
A brand new smile  
Since I met you baby  
I got a brand new style

Just because of you, boy  
Just because of you  
Just because of you, boy  
Just because of you

I got the same old friends  
They got the same old sins  
I tell the same old jokes  
Give the same old grins  
But now the jokes sound new  
And the laughter does too  
Everyday of my life  
As fresh as morning dew

Just because of you, boy  
Just because of you  
Just because of you, boy  
Just because of you  
Just because of you, boy  
Just because of you

I go to the same old places  
See the same old faces  
Look at the same old skies  
See them all with brand new eyes  
Ooh, ooh
