

## Blood Brothers Revenge

Dwarves

In my dreams I see those two  
It fucks with everything I do  
They shot off acid in my eye  
Left me lying there to die  
So my brother goodbye  
And then ? that I  
? my sister with a knife  
But it was always 'cause the things  
That they would do  
Watch me getting screwed  
Fuck my wife  
But my revenge will be sweet  
When ? will meet  
My revenge  
I'm talkin' bout my revenge
