

Fun To Try

Dwarves

You came throw all of the people, all of the time
But it's fun to try, fun to try
You take it high and we shut throw
The eye of a needle but it's
Fun to try, it's fun to try
Got it so, but you can't take it when you let go
They will never know when a opportunity knocks for the ...
And when it close here we go now
You came throw all of the people, all of the time
But it's fun to try, fun to try
When you making a grouse well
It isn't illegal
It's just fine to try, it's fun to try
You got time and behind all that fortune
Yeah you'll never know where you could go to
One step over the line
I'm not saying it's right
I'm not saying it's wrong
I got nothing to say but the name of the song
Sing along now, c'mon
Fun to try, it's fun to try
Fun to try, it's fun to try
We can run out of the town
But it's fun to try, it's fun to try
You're one of the people that I love from town
But it's fun to try, it's fun to try
Well it's fun to try, it's fun to try
it's fun to try, it's fun to try
it's fun to try, it's fun to try
