

Mr Money

Dynazty

You've got a backslick
Backstabbing attitude
With a million dollar smile
Acting all rude

Hot shot, top notch
You just care
For what people think
Of the clothes you wear

Who do you think you are
Acting like a star
Wearing fancy clothes
Smoking cheap cigars
You think you got it all
Acting like a star
Playing Mr. Money
Driving daddy's car
Can't you see
You're nothing to me
Just another wannabe

Dip shit, eat shit attitude
With the middlefinger far up
On low altitude

Cheap shot, brag alot
I don't care for your dirty needs
You're just sucking up my air

Who do you think you are
Acting like a star
Wearing fancy clothes
Smoking cheap cigars
You think you got it all
Acting like a star
Playing Mr. Money
Driving daddy's car
Can't you see
You're nothing to me
Just another wannabe
