

Rock, paper, scissors  
Last resort a dull butter knife  
Try'na get rich twice  
Taking my chances rolling the dice  
Grittin' all day  
Califor-nye-aye  
Where we love the kids but we don't play  
Like my nigga Keak Da Sneak say  
I make my money fast  
I stay gone like the past  
Try'na make my money greener  
Greener than my grass  
See that brall right there she got ass  
I met this chick from Poland  
I'm all up in her colon  
Left the pussy swollen  
When I was poking

I just need just one more sip to-to-to take home  
I been in the streets I just can't leave em alone  
Make my money fast yeah I'm in my zone  
Better catch me while I'm moving baby I'm on the go  
I stay gone  
Stay gone I stay gone  
Stay gone  
Uhh!

It ain't enough hours in the day to get what I need done  
The breadwinner of the family, the chosen one  
Imagine a car without a motor  
I carry the world on my shoulder  
Errday since I was a kid age 12  
Throwing papers from Vallejo Times Herald  
On the Hillside of Vallejo  
I went to Franklin Junior High  
English and reading not always fail  
But when it came to math I was the God  
Uhh, I be busy  
I ain't got time to watch TV  
I ain't got time to play Call of Duty  
I ain't got time to watch a movie  
I ain't got time to listen to what's going on in your home I got problems on  
my own  
BEATCH!

I just need just one more sip to-to-to take home  
I been in the streets I just can't leave em alone  
Make my money fast yeah I'm in my zone  
Better catch me while I'm moving baby I'm on the go  
I stay gone... stay gone  
I stay gone... stay gone  
I stay gone  
Stay gone I stay gone  
Stay gone  
Uhh!  
I got gouda to get that's what I told my tendo  
I'll be gone till Decembo  
About a half a year

Don't nothing come to a sleeper but a nightmare  
I'm a hustler not a loser  
Try'na make our lifes better for the future  
I'm a pimp polly gamish up in Curle  
On my way to the Nevtherlands, Amsterdam, Eurail  
Me and a couple of my hoe bitches  
Finna go in to buisness  
No bullshit all legit  
Brought the step-up shop in the red light district  
The red light district like Ludacris' song?  
Yeah, and I'll be sending y'all some money home  
I'll fly ya out if your horny I know you gone be lonely  
But if ya cheat on me I'm going upside your dormitory  
BEATCH!

I just need just one more sip to-to-to take home  
I been in the streets I just can't leave em alone  
Make my money fast yeah I'm in my zone  
Better catch me while I'm moving baby I'm on the go  
I stay gone... stay gone  
I stay gone... stay gone  
I stay gone  
Stay gone I stay gone
