I Wish You Peace

I wish you peace when the cold winds blow Warmed by the fire's glow I wish you comfort in the, the lonely time And arms to hold you when you ache inside

I wish you hope when things are going bad Kind words when times are sad I wish you shelter from the, the raging wind Cooling waters at the fever's end

I wish you peace when times are hard The light to guide you through the dark And when storms are high and your, your dreams are low

I wish you the strength to let love grow on, I wish you the strength to let love flow,

I wish you peace when times are hard A light to guide you through the dark And when storms are high and your, you dreams are low I wish you the strength to let let grown on, I wish you the strength to let love flow, I wish you the strength to let love glow on I wish you the strength to let love go on.
