There's talk on the street; it sounds so familiar Great expectations, everybody's watching you People you meet, they all seem to know you Even your old friends treat you like you're something new

Johnny come lately, the new kid in town Everybody loves you, so don't let them down

You look in her eyes; the music begins to play Hopeless romantics, here we go again But after awhile, you're lookin' the other way It's those restless hearts that never mend

Johnny come lately, the new kid in town Will she still love you when you're not around? There's so many things you should have told her, but night after night you're willing to hold her, Just hold her, tears on your shoulder

There's talk on the street, it's there to Remind you, that it doesn't really matter which side you're on.

You're walking away and they're talking behind you They will never forget you 'til somebody new comes along Where you been lately? There's a new kid in town Everybody loves him, don't they?

Now he's holding her, and you're still around Oh, my, my
