

Scared Money Never Wins

Earl Thomas Conley

You wonder why I don't understand
Why you can't seem to give what love demands

You're not the first to feel the fire
Won't be the last to fear desire
True love ends every time doubt slips in

And you can bet your heart, love ain't worth a dime
Unless you take a chance and lay it on the line
You can't lose if you don't try again
But scared money never wins

I can't change what happened in your past
So don't blame me for something he never had

There ain't no lifetime guarantee
But if you put your trust in me
This time there won't be no holding back

And you can bet your heart, love ain't worth a dime
Unless you take a chance and lay it on the line
You can't lose if you don't try again
But scared money never wins

There ain't no lifetime guarantee
But if you put your trust in me
This time there won't be no holding back

And you can bet your heart, love ain't worth a dime
Unless you take a chance and lay it on the line
You can't lose if you don't try again
But scared money never wins

Scared money never wins
Scared money
Scared money never wins
Scared money
