## When Will We Be Married?

## **Steve Earle**

When will we be married, Molly, when will we be wed When will we be bedded in the same bed? When will we be married, Molly, when will we be wed When will we be bedded in the same bed?

You have your eye on Jimmy, long Jimmy Lee You have your eye on Jimmy and a fine man he You have your eye on Jimmy but you'd better let him be Cause when you go, Molly-o, you'll be going with me

When will we be married, Molly, when will we be wed When will we be bedded in the same bed? When will we be married, Molly, when will we be wed When will we be bedded in the same bed?

You have your eye on Johnny, thin Johnny Fee You have your eye on Johnny and a fine man he You have your eye on Johnny but you'd better let him be Cause when you go, Molly-o, you'll be going with me

When will we be married, Molly, when will we be wed When will we be bedded in the same bed? When will we be married, Molly, when will we be wed When will we be bedded in the same bed?

I made a black bow for your pretty head When will we be married, Molly, when will we be wed? Made a black bow for your bonny head

When will we be married, Molly, when will we be wed When will we be bedded in the same bed? When will we be married, Molly, when will we be wed When will we be bedded in the same bed?
