

Let's Groove

Earth, Wind & Fire

Let this groove, get you to move
It's alright, alright, alright
Let this groove, set in your shoes
Stand up, alright, alright

Gonna tell you what you can do
with my love, alright
Let you know girl you're looking good
You're out of sight and alright

Just move yourself and glide like a 747
And lose yourself in the sky
among the clouds in the heavens

Let this groove, light up your fuse
it's alright, alright, alright
Let this groove set in your shoes
Stand up, alright

Let me tell you
What you can do with my love
It's alright, alright
Gotta let you know girl you're looking good
You're out of sight, you're alright

Tell the DJ to play your favorite tune
Then you know it's okay
What you found is happiness, now

Let this groove, get of mind to move, alright
Let this groove, set in your shoes
Stand up, alright

You will find peace of mind on the floor
Take a little time, come and see
you and me make a little sign
I'll be there after awhile
If you want my love
We can boogie on down, down
boogie on down, down
boogie on down, down
boogie on down, down

Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonight
