

Sunshine

Earth, Wind & Fire

Heavenly sunshine
Only you can stop the rain
Pouring in my heart
And causing tears of pain

All of your feelin'
Seems to make me glow
Like heavenly sunshine
Makes the flowers grow

Ho, oh Lord
You're my sunshine
Loving you is my dream
When I'm with you
I hear bluebells ring

And the beauty
Only you can bring
Keep me smiling
My heart's filing away
Memories of a life with you

Take me with you
I'm the one who's
Gonna lift you
To your shining star

You are my light
When dark days do appear, Lord
Bringing me sunshine
My heart has no more fear

Birds in the air
They even sing your name
Spreading love's rainbow
An everlasting flame

Ho, oh Lord
You're my sunshine
Loving you is my dream
When I'm with you
I hear bluebells ring

And the beauty
Only you can bring
Keep me smiling
My heart's filing away
Memories of a life with you

Take me with you
I'm the one who's
Gonna lift you
To your shining star
Hey hey hey hey, yeah

Hey, you're my sunshine
Loving you is my dream

When I'm with you
I hear bluebells ring

And the beauty
Only you can bring
Keep me smiling
My heart's filing away
Memories of a life with you

Take me with you
I'm the one who's
Gonna lift you
To your shining star

You make me happy, baby
You try to make me feel real good
Yeah yeah, Baby
Oh

And so we may seem
That my life's a paradise
But you, you are my sunshine
To make things alright
