

I Wantcha Around

Eartha Kitt

Pause at the crossings, wait for the light
Go to bed early, early at night
Darling keep healthy, don't lose a pound

Cause if I love ya
than I need ya
if I need ya
than I want ya around

If you love matches, you can get burned
Never kiss strangers, nasty old germs
Exercise daily, jump up and down

Cause if I love ya
than I need ya
if I need ya
than I want ya around

Take vitamins A, B, C, D, E, F, G for lunch (lunch)
Sweetheart dont run yourself down
by hanging around with the bunch

You can have fun dear, life is a kick
Baby's got kisses, they'll make you tick
Even at ninety, you'll still be sound

Cause if I love ya
than I need ya
if I need ya
than I want ya around

Take vitamins A,B,C,D,E,F,G for lunch(lunch)
Sweetheart don't run yourself down
by hanging around with the bunch

You can have fun dear, life is a kick
Baby's got kisses, they'll make you tick
Even at ninety, you'll still be sound

Cause if I love ya
than I need ya
if I need ya
than I want ya around
