Set Me Free

East 17

All I ever wanted, I have found in you
A soul that's controlled, by a heart so true
All I ever needed you've given 2 me
Locked inside my loveless heart and you
Set me free
You are my baby, my reason 2 live
All the love inside me 2 you I'm gonna give
Cos in the back of my mind
I hear you callin' me
C'mon and get my lovin' c'mon and set me free

Set me free set everybody free (4x)

All I ever dreamed of
Walked into my life
No more boring days, no more lonely nights
So c'mon darlin' give into me
Come inside my soul, c'mon and set me free

Set me free set everybody free (4x)

I was lonely, I was so afraid
And with the sunshine, into my life you came
You made it brighter
So that I could see
You hypnotise my mind
And came and set me free

Set me free set everybody free (4x)

You came into my life, set me free
You showed me sights I thought I'd never see
I hunger for a lover
lover, just like you
Someone 2 do my heart
2 do my soul the way you do
You love 2 lay and love me all night long
You feed me with the food that makes me
Feel real strong
I really love the lovin' that you're givin' 2 me
Since you came into my life, you set me free

Set me free set everybody free (4x).
