

Get Raped

Eater

I don't wanna see you no more
'coz you're just a scabby whore.
You know I really hate your guts.
Go and join all the other sluts.

R:
Why don't you get raped.
Why don't you get raped.
Why don't you get raped.
Go and get fucked.

You make me sick, and you make me ill,
you think you're a shagrat,
'coz you're on the pill, well you're not.
No you're not.

R:

I've seen you with a million other guys.
Can see right through your stupid disguise.
From the back of throat
you bring up the bile.
Baby i know. You're so vile.
