

# Happy Death Men

Echo & the Bunnymen

Happy death men stand in line  
Happy death men  
Happy death men polish and shine  
Happy death men

Happy death men  
The last breath man  
Happy death men  
Take them to your heart

Happy death men  
No regret men  
Happy death men  
Like to keep things dark

Happy death men stand in lines  
Happy death men  
Happy death men polish and shine  
Happy death men

Happy death men  
The last breath men  
Happy death men  
Take them to your heart

Happy death men  
No regret men  
Happy death men  
Like to keep things dark, okay

Happy death men stand in lines  
Happy death men  
Happy death men polish and shine  
Happy death men

Happy death men  
The last breath man  
Happy death men  
Take them to your heart
