

# The Tracks You Left On Me

Ed Bruce

How could I have known back at the start  
The day might ever come when you would break my heart  
Well, here it is but damned if you will ever know  
Not a trace of what I feel inside will ever show

I'm not the first and I won't be the last  
I can only judge your future by your past  
And I would rather die than ever let you see

Any trace of the tracks you left on me

I will not go away as time goes by  
And I'll walk around your mind until the day you die  
And you'll keep wonderin' why you couldn't see  
Any trace of the tracks you left on me

I'm not the first and I won't be the last  
I can only judge your future by your past  
And I would rather die than ever let you see

You'll never see a sign of the tracks you left on me
