

## Two Dollars In The Jukebox

Eddie Rabbitt

I've got two dollars in the jukebox  
And five dollars in a bottle  
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning  
With heart-aches by the dozen  
And a lady on my mind that's driving me crazy

Why do I, Why do I  
Need to see those blue eyes  
Lookin' at me that way again?  
After the way she did me, it's a sin

How could she, how could she  
Just walk out and leave me?  
After all these nights in her arms  
Look where I am

And I've got two dollars in the jukebox  
And five dollars in a bottle  
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning  
With heart-aches by the dozen  
And a lady on my mind that's driving me crazy

I've got two dollars in the jukebox  
And five dollars in a bottle  
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning  
With heart-aches by the dozen  
And a lady on my mind that's driving me crazy  
I've got a lady on my mind that's driving me crazy
