## How's the World Treating You

## **Eddy Arnold**

(How's the world treating you)

I have nothing but sorrow since you said we were through There's no hope for tomorrow how's the world treating you Every sweet thing that mattered has been broken in two All my dreams have been shattered how's the world treating you

Got no plans for next Sunday but got no plans for today Everyday is blue Monday every day you're away Though our pathways have parted to your mem'ry I'm true Guess I'll stay broken hearted how's the world treating you

(Do you wonder about me like I'm hoping you do Are you lonesome without me have you found someone new) Are you burning and yearning do you ever get blue Do you think of reurning how's the world treating you
