

My Love, My Love

Eddy Grant

Ah-ah-ah-ah, my love, my love
(Yeah, yeah, yeah, darling, yeah)
Feel I'm still, whoo, feel I'm still
In love with you

Ah-ah-ah-ah, my love, my love
(Yeah, darling, yeah)
Feel I'm still, whoo, feel I'm still
In love with you

Ah-ah-ah-ah, my love, my love, ooh...
Feel I'm still, feel I'm still
In love with you, hey!

To find another like you
Could take a long, long time
To lose a lover like you
Would be a doggone crime
To find a lover like you
Who after all this time
Still make me feel like you do
Make me just wanna sing to you

Ah-ah-ah-ah, my love, my love
(Whoa, darling, darling)
(Darling love yeah, oh, yeah)
Feel I'm still, feel I'm still
In love with you

Ah-ah-ah-ah, my love, my love
(Ooh, yeah, I love you, yeah)
Feel I'm still, feel I'm still
In love with you
Whoo!

Get down!
My love, my love
(Yeah, yeah, yeah, yeah)
Feel I'm still, feel I'm still
In love with you

Ah-ah-ah-ah, my love, my love
(Oh, yeah, yeah, yeah, oh, baby)
Feel I'm still, feel I'm still
In love with you

To find another like you
Could take a long, long time
To lose a lover like you
Would be a doggone crime
Hey, to find a lover like you
Who after all this time, yeah
Still make me feel like you do
Make me just wanna sing to you

Ah-ah-ah-ah, my love, my love
(Whoa, oh, oh, darling, darling, yeah)

Feel I'm still, feel I'm still
(Whoo!)

In love with you

Ah-ah-ah-ah, my love, my love
(Oh, oh, oh, oh, my darling, darling, yeah)
Feel I'm still, feel I'm still
(Whoo!)

In love with you

Ah-ah-ah-ah, my love, my love
(Made me wanna feel)
(Made me wanna feel)
(Like making love to you, whoo!)

Feel I'm still, feel I'm still

In love with you

Ah-ah-ah-ah, my love, my love
(Baby, baby, oh, I wanna make love to you, darling)
Feel I'm still, feel I'm still
In love with you
(Wanna make sweet love to you, hey!)

Ah-ah-ah-ah, my love, my love
(Wanna hold you in my arms, darling)
(Yeah, I wanna, yeah, I wanna, yeah, I wanna)
Feel I'm still, feel I'm still
(Whoo!)

In love with you...
