

I Can't Turn You Loose

Edgar Winter

Do it, do it, hey

Got to, got to feel it
Yeah, sock it to us now

I can't turn you loose now
If I do, I'll lose my mind
I can't turn you loose now
I got to love you all the time

I can't turn you loose now
If I do, I'll lose my mind
Can't turn you loose now
I got to love you all the time

Hip shaking mama, I told you
Ooh, you got to do
Anything you wanna

Yeah, got to, got to love you
Yeah, let me, let me hold you
Yeah, let me, let me squeeze you
Yeah, hey, hey

Can't turn you loose now
Because you a pretty little thing
I can't turn you loose now
I got to love you in vain

I can't turn you loose now
Because you a pretty little thing
I can't turn you loose now
I've got to love you in vain

Hip shaking mama, I told you
Ooh, you got to do
Anything you wanna

Yeah, got to, got to squeeze you
Yeah, let me, let me please you
Yeah, let me, let me hold you
Yeah, hey, hey

Come on, come on, everybody
Put your hands together
Yeah, yeah

You feel all right now
Feel all right now
Early in the morning, yeah
Got to, got to feel it, yeah
Late in the evening, yeah
Got to, got to feel it

Bring it on up now
Bring it on up now
Little bit louder, yeah

Little bit louder, yeah

Got to, got to feel it, yeah
Early in the morning, yeah

Got to, got to feel it, yeah
Got to, got to feel it
Yeah, early in the morning
Yeah, yeah

Go ahead and sock it to me
Two, three, hey

Got to, got to
Don't you, don't you feel it
Got to, got to feel it
Early in the morning, yeah
Early in the morning

Let me hear you say yeah (yeah)
Hear you say yeah now (yeah)
Let me hear you say yeah (yeah)
Hear you say yeah now (yeah)

Got to, got to feel it (yeah)
Got to, got to feel it (yeah)
Early in the morning (yeah)
One more time now (yeah)
Early in the morning (yeah)

Yeah, got to, got to feel it
Yeah, got to, got to squeeze you
Yeah, let me, let me please you
Yeah, hey, ow, ah, hey, good God
Sock it to me, hey

Yeah, yeah, yeah, yeah...
