

# Always

**Edie Brickell**

Break those chains tonight  
Hold your head up high  
'Cause you ain't done nothin' wrong  
And you always will belong

Ah, ah, ah, always  
Ah, ah, ah, always

Clouds and dogs and trees  
Stones and sunlit streets  
Demons on dark roads  
Shadows at the door

Ah, ah, ah, always  
Ah, ah, ah, always

Break those chains tonight  
Hold your head up high  
'Cause you ain't done nothin' wrong  
And you always will belong

Ah, ah, ah, always  
Ah, ah, ah, always  
Ah, ah, ah, always
