

In the Morning

Edwyn Collins

I don't know
I don't know

In the morning
(I don't know)
In the evening
(I don't know)
In the twilight
(I don't know)
In the moonlight
(I don't know)

Another year has fallen back
My big idea has passed me by
I push, I pull, there's no point now
The dam is broke, I'm gonna drown

In the morning
(I don't know)
In the evening
(I don't know)
In the twilight
(I don't know)
In the moonlight
(I don't know)

Innocence and confidence
I was young, and can't be with it
My suit, my tie, my shirt, my shoes
Cocky dude, I'm in the news

In the morning
(I don't know)
In the evening
(I don't know)
In the twilight
(I don't know)
In the moonlight
(I don't know)

In the morning
In the evening
In the twilight
In the moonlight

In the morning
(I don't know)
In the evening
(I don't know)
In the twilight
(I don't know)
In the moonlight
(I don't know)

In the morning
(I don't know)
In the evening

(I don't know)
In the twilight
(I don't know)
In the moonlight
(I don't know)
