

Cross My Heart

Edyta Górniak

We got it all and we'd be fools to let it go
'Cos I need you more and more
You're my life and I live
For your love that you give
Although my journey's long
I'll soon be home
It's gonna be so hard on my own
But I won't be alone

Cross my heart and tell no lies
No one's leaving you behind
Just because we said goodbye, baby
Cross my heart I do believe
In my thoughts and in my dreams
I'll be taking you with me, baby

Sometimes I think
That I can feel you breathin' on me
You're there so deep inside
And I like, what I feel
Though it's not always real
It helps me carry on, till I come home
It's gonna be so hard on my own
But I won't be alone

Cross my heart and tell no lies
No one's leaving you behind
Just because we said goodbye, baby
Cross my heart I do believe
In my thoughts and in my dreams
I'll be taking you with me, baby

(Dream a dream a dream a dream a dreamin')
Wherever you are you're near me
Whatever I say, I cross my heart

Cross my heart and tell no lies
No one's leaving you behind, baby
Just because we said goodbye, baby
I Cross my heart I do believe
In my thoughts and in my dreams
I'll be taking, I'll be taking you with me

I cross my heart, baby
I cross my heart, I do believe
In my thoughts and in my dreams
I'll be takin' you with me
Cross my heart...
Whatever I say
Cross my heart
