

Beautiful Freak

Eels

You're such a beautiful freak
I wish there were more just like you
You're not like all of the others

And that is why i love you
Beautiful freak, beautiful freak
That is why i love you
Beautiful freak, beautiful freak

Some people think you have a problem
But that problem lies only with them
Just 'cause you are not like the others

But that is why i love you
Beautiful freak, beautiful freak
Yeah that is why i love you
Beautiful freak, beautiful freak

Too good for this world
But i hope you will stay
And i'll be here to see
That you don't fade away

You're such a beautiful freak
I bet you are flying inside
Dart down and then go for cover

And know that i
I love you
Beautiful freak, beautiful freak
You know that i
I love you
Beautiful freak, beautiful freak
