

Dark and Dramatic

Eels

She's beautiful
But she doesn't fight fair
What makes her think
She can go there?

Trouble or trouble
It's too soon for you
I asked myself sternly
Is this what you wanna do?

The answer is clear
And easy to see
I know in my heart
She's too dark and dramatic for me

I love her so much
Why she messing it up?
Maybe something in her past
Makes her sure it won't last

Trouble or trouble
It's too soon for you
I asked myself sternly
Is this what you wanna do?

The answer is clear
And easy to see
I know in my heart
She's too dark and dramatic for me
