

There I Said It

Eels

You're gun shy
So am I
I understand with what you've been through
Why you wouldn't want to give it all away
Tender hearts masquerading
As badass as in training
You can drop the act
I won't attack
I love you
There, I said it

Funny girl
And funny guy
Just trying to laugh instead of cry
There's nothing funny about who you are to me
A pure heart needs protection
Sweet love and affection
Don't be afraid
I'm just gonna say it
I love you
There, I said it
