

Fake Leather Jacket

Eighteen Visions

You look like a clown in that stupid jacket
This is a snakeskin jacket! And for me it's a symbol of my individuality, and my belief in personal freedom
Asshole

You made a promise you just couldn't keep
Said you'd make me famous, the year of the "v."
But you're just so epic full of shit
And I don't wanna hear another word
Your arrogance, it makes me sick as I feel my stomach turn

And I don't need a reason, I think you're aware
Of all the hearts you've broken, but you don't seem to care
So don't you dare
Cause I think you know
Don't you dare face me alone

One day I will rise and have my revenge
Your crown has been stolen
No more to defend
And you're just so epic full of shit
A lesson that you're gonna have to learn
Your ignorance, it makes me sick, but this time you're gonna burn

And I don't need a reason, I think you're aware
Of all the hearts you've broken, but you don't seem to care
So don't you dare
Cause I think you know
Don't you dare face me alone

Now it's too late to walk away
It's time to settle the score
And now you've run out of time
Cause you've been equalized
Tongue tied without a lie to speak
Liar, sadist, corporate, rapist
I've got nothing to lose
Cause it's all been taken from me
No longer will I be denied
(Liar, sadist, corporate, rapist)

And I don't need a reason, I think you're aware
Of all the hearts you've broken, but you don't seem to care
So don't you dare
Cause I think you know
Don't you dare face me alone
