

Sky, so vast as the sky  
With far away clouds just wandering by  
Where did they go?  
Oh I don't know, don't know

Wind, that speaks to the leaves  
Telling stories that no one believes  
Stories of love  
Belong to you and me

Oh Dindi  
If I only had words  
I would say all the beautiful things that I see  
When you're with me  
Oh my Dindi

Oh Dindi  
Like the song of the wind in the trees  
That's how my heart is singing Dindi, happy Dindi  
When you're with me

I love you more each day  
Yes I do, yes I do  
I'd let you go away  
If you take me with you

Don't you know Dindi  
I'd be running an' searching for you  
Like a river, that can't find the sea  
That would be me, without you my Dindi

Don't you know Dindi  
I'd be running an' searching for you  
Like a river, that can't find the sea  
That would be me, without you my Dindi
