

Where You Are

El DeBarge

Please listen to me
I got smething to say
I need you to hear me, right away
Ooh wee baby
Can I please explain
I can't live without you one more day

Honestly I'm admitting
I'm just a little bit timid
So hold me and don't go away
Not without me
'Cause when you're gone
I'm much too lonely
Really
I wanna be

Where you are
I wanna be everywhere you are
Where you are, you are
Where you are

If you only knew how much I miss you
If you only knew how much I care
You would be surprised to realize
how much you'd become aware, baby

In a room full of people, girl
I'm still lonely, baby
'Cause you're not there, baby
So to prevent any more sorrow
Should you leave this place tomorrow
Well pack my bags too, baby
And take me with you
'Cause I wanna be

Where you are
I wanna be everywhere you are
Where you are, you are
Where you are

Where you are
I wanna be everywhere you are
Where you are, you are
Where you are
