

Who's Holding Donna Now

El DeBarge

Sometimes a love won't let go
Hard as I try I know it shows
Everybody's telling me
You'll be over her eventually
But how am I supposed to feel so secure?

When I keep wondering who's holding Donna now
And I keep wondering who's heart she's knocking around
There's nothing I wouldn't do
To be in his shoes somehow
And I keep wondering who's holding Donna now
And I keep wondering what magic can be found
To turn me back to the one who's holding Donna now

The letter started with good-bye
I've read it half a million times
Tell me this is just a dream
When I wake up she'll be here next to me
Tell me it will be just the way it was

Well, I keep wondering who's holding Donna now
And I keep wondering who's heart she's knocking around
There's nothing I wouldn't do
To be in his shoes right now
And I keep wondering who's holding Donna now
And I keep wondering what magic can be found
To turn me back to the one who's holding Donna now

[break]

Who's holding Donna now?
I keep wondering who's heart she's knocking around
There's nothing I wouldn't do
To be in his shoes right now

And I keep wondering who's holding Donna now
Oh, Donna, what magic can be found?
To make me be the one who's holding Donna now
I can't get Donna off my mind
